3. (currently amended) The kit as claimed in claim [ 1 ] 2 wherein the brush [means] includes a threaded detent, and the handle [means] one end has an interior threaded recess, the detent being threadably engageable with the threaded recess to join the brush [means] to the handle [means].

4. (canceled)

5. (original) The kit as claimed in claim [1] 2 wherein the wash pad is a plurality of bristles.

6. (canceled)

7. (original) The kit as claimed in claim [1] 2 wherein the wash pad is a fine mesh material.

8. (currently amended) The kit as claimed in claim [2] 7 wherein the brush [means] includes a threaded detent, and the handle [means] one end has an interior threaded recess, the detent threadably engageable with the threaded recess to join the brush [means] to the handle [ means].

9. (currently amended) The kit as claimed in claim 8 wherein the wash pad backing is releasably secured to the wash pad base member by hook and loop elements.

10. (original) The kit as claimed in claim 9 wherein the wash pad is a plurality of bristles.

11. (original) The kit as claimed in claim 9 wherein the wash pad is a foliate material.

12. (original) The kit as claimed in claim 9 wherein the wash pad is a fine mesh material.

13. (canceled)

14. (canceled)

[14.] 15. (currently amended) The brush kit as claimed in claim  
[12] 5 wherein the wash pad backing is releasably secured to the wash pad base  
member by hook and loop elements.

[15.] 16. (currently amended) The brush kit as claimed in claim  
[12] 3 wherein the wash pad is a plurality of bristles.

[16.] 17. (currently amended) The brush kit as claimed in claim  
[12] 3 wherein the wash pad is foliate material.

18. (canceled)

[18.] 19. (currently amended) The brush kit as claimed in claim  
[13] 15 wherein the brush [means] includes a threaded detent, and the handle  
[means] one end has an interior threaded recess, the detent threadably  
engageable with the threaded recess to join the brush [means] to the handle  
[means].

[19.] 20. (currently amended) The brush kit as claimed in claim [18] 5 wherein the wash pad backing is releasably secured to the wash pad base member by hook and loop elements.

[20] 21. (currently amended) The brush kit as claimed in claim [19] 3 wherein the wash pad is a plurality of bristles.

[21.] 22. (currently amended) The brush kit as claimed in claim [19] 3 wherein the wash pad is a foliate material.

23. (canceled)

It is believed that the claims are now in the form required by the Examiner, and a Notice of Allowance is respectfully requested. Kindly contact the undersigned at (336) 659-8249 if there are questions or other materials or information are needed.

Respectfully submitted,
